Covered in this report

The report covers the present scenario and the growth prospects of the global automotive heat shield market for 2018-2022. To calculate the market size, the report considers the revenue generated from the sales of automotive heat shield.

The market is divided into the following segments based on geography:

- * Americas
- * APAC
- * EMEA

Technavio's report, Global Automotive Heat Shield Market 2018-2022, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

Key vendors

- * Autoneum
- * Dana
- * DowDuPont
- * Federal-Mogul
- * Heatshield Products
- * Lydall

Market driver

- * Growing penetration of energy-efficient technologies in automobiles
- * For a full, detailed list, view our report

Market challenge

- * High prices of aluminium and Kevlar fibers
- * For a full, detailed list, view our report

Market trend

- * Multiple uses of heat shields
